

Dear TerraCast Products,

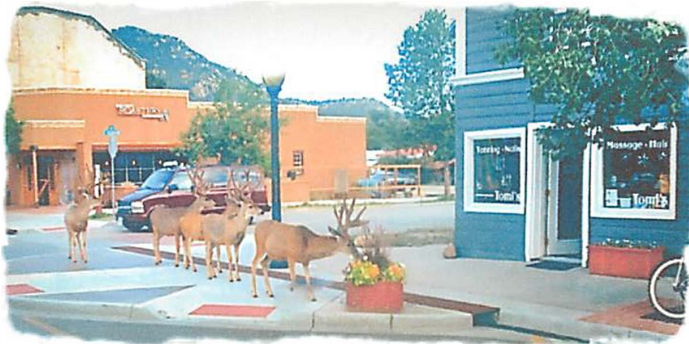

Thank you for the great planters that you produced to decorate our Main Street!

We are sincerely grateful for your excellent customer service and especially for offering to replace the planter that was damaged recently.

It's been so exciting to receive feedback on how these planters have been enjoyed by both residents and visitors to our town. You're the BEST!

Thanks for helping us on our quest to Beautify Buena Vista, CO!

BEFORE we had your great planters!
