PRODUCTS

## Site Furnishings Color Chart

**Black**

**Brown**

**Cedar**

**Charcoal**

**Green**

**Sand**

**Weathered**

Please check the website for the latest colors available. We strongly recommend that you request a color chip when making a final color choice. These colors may vary based on your monitor's color calibration. If you are viewing this on a hard copy printout, there are limitations on color accuracy in the 4 color printing process and less on your laser or ink-jet printer.
